Rich in raw emotion Scarlet Joy have a sound that cuts deep.

With a list of influences that runs from PJ Harvey to QOTSA, Nirvana to Florence and The Machine, Scarlet Joy have forged a unique fusion that is both vulnerable and powerful, weaving together their haunting vocals, distorted guitars and fierce drums with intense sentiment.

They have been bringing their exciting mix of potent grunge and emotive alternative rock to independent venues and grass roots festivals throughout the UK.

Scarlet Joy released their debut album 'Mourning Pages' in November 2022. The album lays bare the whole human condition, exploring themes of love, loss, hope and fate.

Based in the Lincolnshire wolds, Scarlet Joy have been writing and recording new songs and are ready with an arsenal of mighty new material to be released in Spring/Summer 2025, watch this space...
