

BIO

Rich in raw emotion Scarlet Joy have a sound that cuts deep.

This power trio was formed in 2019, brought together by vocalist, guitarist and songwriter Sofire Woodcraft, with bass player Tom Latham and drummer Ben Smith.

They have been bringing their exciting mix of potent grunge and emotive alternative rock to independent venues and grass roots festivals throughout the UK.

With a list of influences that runs from PJ Harvey to QOTSA, Nirvana to Nine Inch Nails, Scarlet Joy have forged a unique fusion that is both vulnerable and powerful, weaving together their haunting vocals, distorted guitars and fierce drums with intense sentiment.

Scarlet Joy released their debut album 'Mourning Pages' in November 2022. The album lays bare the whole human condition, exploring themes of love, loss, hope and fate.

Based in the Lincolnshire wolds Scarlet Joy are currently working on new material.
